Good morning class Five and welcome to week two. Here are this week’s learning activities. I have set you a maths task, an English task each day. As well as this you can complete one task a day from the home learning grid for class five on the school website.

Remember to also fit some reading and TTrockstars in each day or as often as you can.

When you finish a book try writing a short review and emailing it in to me at class5@hempsted.gloucs.sch and I will share your top book selections with the rest of the class.

Thank you to all of you that have emailed work in to me and videos and audio files of your adverts.

**Monday**

**Maths** – watch the video and complete the work book from the following link for *Week Two: Lesson ONE – Rounding decimals*. There is also an answer booklet for your parents to mark when you are finished.

[https://whiterosemaths.com/homelearning/year-5/](https://whiterosemaths.com/homelearning/year-5/)

**Challenge** -

Whitney is thinking of a number.

- Rounded to the nearest whole her number is 4
- Rounded to the nearest tenth her number is 3.8
- Write down at least 4 different numbers that she could be thinking of.

**English**

Watch the video *The Lighthouse* and answer the following questions in your book.

1. Draw a storyboard of the key events of the film and describe how you think the lighthouse keeper feels at each stage.

2. Summarise what happened in the story.

3. What did you think of the ending to the story?

4. What lesson can we learn from the story?
Tuesday

Maths – watch the video and compete the work book from the following link for Week Two: Lesson TWO – order and compare decimals. There is also an answer booklet for your parents to mark when you are finished.

https://whiterosemaths.com/homelearning/year-5/

Challenge -

Alex says,

3.105 is greater than 3.2 because 105 is greater than 2

Do you agree?  
Explain your answer.

English

Watch the video ‘The Lighthouse’ and write a recount of the story as either the lighthouse keeper or a villager. Make sure you include:

- what were you doing before the light went out?
- what did you do think when you heard the ship?
- what did you do next?
- what did you think about all of the villages coming together?
- how did it feel to see the ship turn to safety after seeing the lights?
Week Two 30.3.2020

**Wednesday**

**Maths** – watch the video and compete the work book from the following link for **Week Two: Lesson THREE – Understand percentages**. There is also an answer booklet for your parents to mark when you are finished.

[https://whiterosemaths.com/homelearning/year-5/](https://whiterosemaths.com/homelearning/year-5/)

**Challenge - 1**

Mo, Annie and Tommy all did a test with 100 questions. Tommy got 6 fewer questions correct than Mo.

<table>
<thead>
<tr>
<th>Name</th>
<th>Score</th>
<th>Percentage</th>
</tr>
</thead>
<tbody>
<tr>
<td>Mo</td>
<td>56 out of 100</td>
<td></td>
</tr>
<tr>
<td>Annie</td>
<td>65%</td>
<td></td>
</tr>
<tr>
<td>Tommy</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

Complete the table. How many more marks did each child need to score 100%?

**Challenge - 2**

Dora and Amir each have 100 sweets. Dora eats 65% of hers. Amir has 35 sweets left. Who has more sweets left?

**English**

Complete the reading comprehension on this [link](#).

You can print of the pages if you have a printer or read the text on screen and write your answers in your book.
Week Two 30.3.2020

Thursday

Maths – watch the video and complete the work book from the following link for Week two: lesson FOUR – Percentages as fractions and decimals. There is also an answer booklet for your parents to mark when you are finished.

https://whiterosemaths.com/homelearning/year-5/

Challenge - At a cinema, \( \frac{4}{10} \) of the audience are adults.

The rest of the audience is made up of boys and girls.

There are twice as many girls as boys.

What percentage of the audience are girls?

English

Write a newspaper or create a video/audio news report of the Lighthouse film.

There is a PowerPoint presentation to help you on the class 5 homelearning page on the school website.

This may take you more than one day to complete. If it does then miss an activity from the learning grid.
Week Two 30.3.2020

Friday

Maths – watch the video and compete the work book from the following link for Week two: Lesson FIVE – Equivalent FDP. There is also an answer booklet for your parents to mark when you are finished.

https://whiterosemaths.com/homelearning/year-5/

Challenge -

Jack has £55
He spends \(\frac{3}{5}\) of his money on a coat and 30% on shoes.
How much does he have left?

English

Complete the following activities on active learn (bugclub)

- **-able and -ible**
  This sequence of games tests the skills and understanding taught in the -able and -ible unit.

And

- **Hyphens**
  This sequence of games tests the skills and understanding taught in the Hyphens unit.
