Good morning class Five and welcome to week five. Here are this week’s learning activities. I have set you a maths task, an English task each day. As well as this you can complete one task a day from the home learning grid for class five on the school website.

Remember to also fit some reading and TTrockstars in each day or as often as you can. I will be setting battles (Boys vs Girls) but will not warn you when these will happen, so keep checking in.

We have had two so far and the girls have won both. Come on boys, only 3 of you even scored a point in the last battle.

(I will work out an average score as there are a lot more girls than boys.)

When you finish a book try writing a short review and emailing it in to me at class5@hempsted.gloucs.sch.uk and I will share your top book selections with the rest of the class.

Thank you to all of you that have emailed work in to me. I have really enjoyed reading your book reviews, letters and seeing some of your photos.
Monday

Warm up – 10 minutes TTrockstars

Maths – watch the video and complete the work book from the following link for Lesson one – Multiply 2-digit numbers. There is also an answer booklet for your parents to mark when you are finished.

https://whiterosemaths.com/homelearning/year-5/

English

Complete the reading comprehension on this link

You can print of the pages if you have a printer or read the text on screen and write your answers in your book.
Tuesday

Warm up – 10 mintues TTrickstars.

Maths – watch the video and complete the work book from the following link for Lesson Two – multiply 4-digits by 2-digits. There is also an answer booklet for your parents to mark when you are finished.

https://whiterosemaths.com/homelearning/year-5/

English

Tomorrow you are going to write a non-chronological report (an information text like the one you read yesterday.) You have already done one of these for the yellow spotted lizard in week one's homework. I class earlier this year you did one on greek gods. The report you are going to do this time is about something or someone you are interested in. It could be your favourite football team or player; band or singer; your family or favourite author. The text needs to be about something real.

Today you need to decide what or who you are going to write about and plan out your report.

Step one

Decide on who or what your report is going to be about.

Write down what you already know about the topic.

Can you think of three different sections you could write about the topic of your report e.g. If it was Donald Trump sections could be:

1) Early life and childhood
2) Businesses
3) President.

If you cannot think of 3 sections then you may need to change the subject or topic your report is on or do some research.

Step two

You will now need to think about what you will write under each section e.g.

1) Early life
   - Where he was born
   - Family
   - Education

And the then start to get the facts to help you write these sections (find out where he was born.)
Wednesday

Warm up – 10 mintues TTrockstars.

Maths – watch the video and complete the work book from the following link for Three – Divide with remainders. There is also an answer booklet for your parents to mark when you are finished.

https://whiterosemaths.com/homelearning/year-5/

English

Today you need to write your report (this may take more than one day so you may need to skip tomorrow’s lesson to complete.) If you do continue your report tomorrow then that will be because you report is two pages long.

When you write you report make sure you start with an introduction which tells the read who or what you report is about. This should be followed by your three sections. You can add pictures that link to the information you are writing.

Try to:

- Use different sentence starters
- Find different ways to say the person or thing e.g. the 45th president.
- Use parenthesis to add detail, clarity or humour.

Good luck.
Thursday

Warm up – 10 minutes TTrockstars

Maths – watch the video and complete the work book from the following link for Lesson Four - Calculate perimeter. There is also an answer booklet for your parents to mark when you are finished.

https://whiterosemaths.com/homelearning/year-5/

English

Complete the lesson on bbc bitesize

English lesson: Using an ellipsis

Friday

Maths – watch the video and complete the work book from the following link for Summer term - week Two: Lesson Five – Friday Maths Challenge. There is also an answer booklet for your parents to mark when you are finished.

https://whiterosemaths.com/homelearning/year-5/

English

Complete the following activities on active learn (bugclub)

-tial and -sial

This sequence of games tests the skills and understanding taught in the -tial and -sial unit.

Suggested for: Yr 5, Yr 6

Objectives:

- Use further prefixes and suffixes and understand the guidance for adding them
- Use knowledge of morphology and etymology in spelling and understand that the spelling of some words needs to be learnt specifically, as listed in English Appendix 1

And

Formal Language

This sequence of games tests the skills and understanding taught in the Formal Language unit.

Suggested for: Yr 5, Yr 6

Objectives:

- Develop their understanding of the concepts set out in English Appendix 2 by:
  - Recognising vocabulary and structures that are appropriate for formal speech and writing, including subjunctive forms
