

PIRATES BARRIER GAME

www.andnextcomesL.com

- Print off a copy of the scene and the characters/items for each person.
- You need at least two people to play the game.
- Each player will have their own scene and set of characters/items.
- Laminate all pieces for durability.
- Have all players sit at a table and set up a barrier so that all players cannot see each other's materials.
- For the barrier, use an item such as a file folder or book.
- To play the game, each player takes turns placing an object on the scene and describing where to place the objects to the other player(s).
- Each player should give specific directions on where to place the objects.
- The objective of the game is to have identical pictures at the end (i.e., all objects should be placed in the same spots on the scene).
