Leonora Carrington was a surrealist artist who created paintings and drawings based on her dreams, memories and imagination. In this game you pick cards representing an object, an animal or a plant and create a made-up character by drawing a combination of what you have picked.

You will need:
- paper
- scissors
- the cards printed out
- a small bag or hat
- pencils

What to do:
1. Draw some animals, plants and objects or print out our cards.
2. Cut out the squares.
3. Mix the cards up in a bag or hat.
4. Pick 3 cards from the hat.
5. Draw your surreal art!
6. Pick more cards, draw more and colour in!
