

# FUN AND FAITH

## Hempsted Children and Families Newsletter

Hello and happy June! Well this month is packed full of activities. There is the Make 70 Differences display in church to mark the Queen's Jubilee; the Churches Count on Nature, when you are invited to record species of plant, animal or insect you spot in the churchyard and our June Messy Church with a sheep hunt in the Lysons Hall garden. During the final term of this school year, the Key Stage 2 Worship Clubs will be leading Collective Worship on the school values of Friendship and Truthfulness. Year 6 children will also be involved in lots of preparations for their Leavers events. Phew! I think I need an energy snack after that! Have a great time celebrating the Jubilee and I'll see you after half term.

Love and prayers from me and everyone at church.
