

English

This term the children will be:

- Writing character descriptions, diary entries, instructions and their own stories.
- Focusing on maintaining the correct verb tense along with using adverbs, prepositions and conjunctions.
- Expected to plan, write, edit and improve their work, proofread for spelling and punctuation errors and respond to marking.
- Heard reading aloud during whole class reading sessions.

Please listen to your child read at home as often as possible and talk about their books.

Maths

This term the children will be:

- Adding and subtracting numbers using mental and written methods.
- Reading, writing, ordering and comparing numbers up to 1000; finding 10 and 100 more and less than a given number; counting from 0 in multiples of 1, 10 and 100
- Trying to learn the 3, 4 and 8 times tables.

The children will be practising their number bonds and times tables regularly. Any practise they can do at home would be fantastic!

Science

This term the children will:

- Explore different types of rocks and soils.
- Learn about the right type and amount of nutrition as well as the function of skeletons and muscles.

Computing

This term the children will be:

- Identifying that digital devices have inputs, processes, and outputs, and how devices can be connected to make networks.
- Using Purple Mash to create a simple stop-frame animation.

Class 3 - Autumn Term

PREHISTORIC C BRITAIN

Our Values

Thankfulness – being grateful for what you have and how this affects how you think of and treat the world and all that is in it.

Compassion – to show kindness and true respect for each other.

Perseverance – the ability to keep trying even when things are tough or seem hopeless.

R.E

This term the children will:

- Find out what Christians learn from the Creation Story – in particular how they should look after our world.
- Learn how Christian people follow God.

History

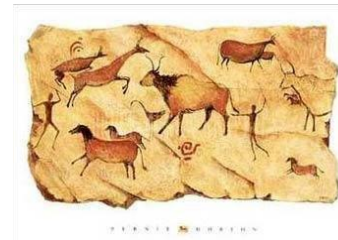

Children will learn about:

- The changes in Britain from the Stone Age to the Iron Age.
- Food and hunting in the Stone Age.
- Tools in prehistoric times.
- Animals of the past.
- Homes in prehistoric Britain.
- Famous Stone Age sites.

Art

This term the children will be:

- Working on digital art and drawing skills based around the topic of Prehistoric Britain.

PSHE

This term the children will be focusing on the topic of relationships where they will consider their own strengths and weaknesses and how to express themselves respectfully.

Now the children are juniors, they will need to bring their own snack for playtime. NO chocolate, please.

D&T

This term the children will be:

- Developing their understanding of mechanical systems by creating lever and linkage mechanisms.

Music

This term the children will be:

- Exploring tuned and untuned percussions.
- Exploring musical phrases, melodic imitation and rounds.
- Arranging an accompaniment with attention to balance and musical effect.

P.E

This term the children will have games lessons on Thursdays and the children will need a **suitable kit for outdoor games kit** (eg. joggers, t-shirt, sweatshirt and trainers – no jeans!) Their indoor PE kits should remain in school.

French

The children will begin to learn French! They will practise numbers to ten and how to greet each other.
