

FUN AND FAITH

Hempsted Children and Families Newsletter

Hello and happy September! I do hope you've had fun in the holidays. September is an exciting time of new beginnings: new schools, new teachers, new friends maybe and new things to learn. One of the things I like about September is seeing those people again who I haven't seen for a few weeks. Have you ever heard someone say that they can't wait to get back into a routine or back to normal? The church has lots of routine with special days, celebrations and seasons, that happen at the same time every year. Each September we celebrate the Season of Creation. We will be focussing on this at our next Messy Church and you're all very welcome to come.

New beginnings can also make us feel a bit nervous and that is why everyone at Hempsted Church is thinking of you all as you return to school and playgroup or go to school for the first time. We hope you have a great time!
