

Do you want to work in an inspiring, rewarding and happy school with enthusiastic children, where there are high expectations of all members of the school community?

Do you want to be part of a strong and supportive team, teaching children who are eager to learn?

We are seeking to appoint a high quality Key Stage Two teacher as the first priority. The ability to lead a curriculum area is desirable though not essential. The post is to work with an established and experienced part-time teacher, who has a proven track record of successful job-share partnership.

The post will be in Year 4, and is a job share, working all day Wednesday and Friday, plus Thursday morning. PPA time can be taken on a Thursday afternoon. This equates to a contract of 0.575 FTE.

This post is suited to both experienced and recently qualified teachers.

We seek to appoint a committed professional who:

- is determined to provide an outstanding education for every child
- aspires to meet high expectations of himself/herself and the children
- will model and promote the strong Christian ethos of the school
- is a good team player, as well as a creative individual
- has a good sense of humour and enjoys life

Visits to our school are encouraged.

An application form, job description and further information for applicants are available on our school website www.hempsted.gloucs.sch.uk

Hempsted Church of England Primary School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. This post is subject to an enhanced DBS check.
